Dear Pastor:

I would like to recommend the Daniel Bergman Family to you for consideration as one of your missionaries to reach the Jewish People in our part of the world. I have known the Bergman Family since 2015, when they settled in our area and joined the Fellowship Baptist Church. They have been very faithful and active in our church when they are not on the road presenting their burden to reach the Jewish world with the Gospel of Jesus Christ.

It has been a blessing to me to watch their labor of love for our Lord. You do not have to be around them very long without seeing their love for all people, especially the Jewish People. I certainly am excited to see the Lord working on their behalf, as they raise their needed support to reach the goal that God has called them to labor for our Lord.

Brother Dan has also developed an amazing Internet Radio Station (ShalomShalom.radio) to reach the Jewish people around the world. This station is operating under The Jewish Awareness Ministries located in Angier, NC (P.O. Box 1808) (www.JewishAwareness.org). They have some 700 listeners today, from 43 different countries around the world.

I guarantee that you will be blessed by this couple's love and passion for our risen Saviour, the Lord Jesus Christ and their commitment to the Jewish People. I pray that you might allow him to present his Ministry to your church and prayerfully support this Jewish work. If you have any questions or need any more information, please do not hesitate to contact me here at the church - (919) 553-6774.

Laboring Together for our Lord,

Bro. Ennis
